

Rules & Policies:

The Ideal Township Transfer Station is sanctioned by and follows the rules & guidelines of the Minnesota Pollution Control Agency and the Crow Wing County Solid Waste Department. Violations of MPCA rules may result in the closure of the transfer station. Persons violating rules & policies will be prosecuted according to applicable laws & regulations.

We reserve the right to refuse service to anyone. All charges are at the discretion of the station attendant and are subject to change without notice.

No Trespassing:

No admittance on transfer station property allowed other than during normal operating hours.

Permits:

Users must obtain and present valid permit to access facility & services.

Check-in:

All users must check-in with station attendant upon arrival to receive instructions and pay fees.

Fees & Charges:

All fees & charges are at the discretion of the station attendant. Stated fees are subject to change without notice.

No Visitors/Loitering:

Transfer station facilities are for permitted users and for stated purposes only. No salvage or picking allowed.

No Pets:

Keep pets inside vehicles while on transfer station property.

Load Safety:

To maintain safety in transport, all loads of loose material must be covered and properly secured. **Be prepared to unload your own items- attendants may not help unload.**

Speed Limit:

Vehicles must operate within speed limit of 10 mph while on transfer station property.

Speed limit on West Island Lake Road is 30 mph.

Please maintain safety & courtesy for station users & neighbors.

No Hunting/Firearms:

No hunting or firearms are allowed on transfer station property.

No Smoking:

Smoking is not permitted on the transfer station property.

Proper Containers:

All items must be deposited in proper containers, dumpsters, rolloffs, or areas as directed by the attendant.

Please help keep our facility clean and organized.

Hazardous materials & electronics can only be left with station attendant.

Misrepresenting or hiding materials being dropped to avoid rules or charges is grounds for suspension of user's permit.

Users may be held liable for damages incurred due to violation of transfer station rules.
