Office of
Todd Dahl, Sheriff

PRESS RELEASE

Sheriff Todd Dahl is asking for the public's help and cooperation when venturing out on our area lakes.

Crow Wing County has received historic rainfall and our lakes and rivers are at very high levels. In the last few weeks, the Sheriff's Office has received numerous complaints of docks and boats that have floated free from shore and lake homeowners have reported portions of their front yards are underwater. Extensive wave action in these areas can cause a great deal of damage.

Please use caution when boating and be respectful of the boat waves washing into shore. Sheriff Dahl says "It is vitally important that we work together in an effort to ensure that our lakes and resources are used safely"

With courage, honor and integrity, we protect the rights and dignity of all citizens. In partnership with our communities, we strive to preserve the peace and are dedicated to excellence in the delivery of public safety services.
